

PRIVATE CASK PROGRAMME

Be part of something truly special, our Private Casks represent a unique opportunity to join Ardgowan's exciting journey.

Our Vision

Ardgowan Distillery Company Limited started producing in 2025 as a proudly independent whisky maker which honours tradition, embraces innovation, and commits to a sustainable future. Above all, our small team of whisky enthusiasts are earnestly dedicated to producing the highest quality Single Malt.

Demonstrating this unwavering pursuit, and partnering with renowned Sherry Bodega Miguel Martín, we invested millions of pounds in securing the finest casks three years before production had started. We even created our very own bespoke design – the Infinity Cask.

Laid down in the coastal warehouses of Sanlúcar de Barrameda in Spain, our casks soak for years with organic Sherry. This level of foresight reflects our uncompromising ambitions and long term vision.

Looking to the Future

Our Single Malt whisky distillery took eight years of development, planning and construction to reach completion. With production underway from since 2025, we're the first new distillery to operate in the Inverclyde region for over a century.

Leading our team is seasoned Whisky Maker Laura Davies, whose industry experience spans over thirteen years. She mastered her abilities under the mentorship of late industry great Dr Jim Swan during her time at The Welsh Whisky Company. There, Laura honed her technical expertise and sensory instinct, gaining a depth of understanding for production, maturation and new product development.

With Laura's guidance, we are creating a robust, muscular spirit with the structural foundations to thrive in extended Sherry wood maturation. No corners can be cut, and patience will be paramount.

Our Private Cask Offer

We're delighted to offer an exclusive opportunity to purchase your own private cask and spend an immersive day behind the scenes with our production team. This VIP experience brings you closer to the craft than ever before, giving you the chance to explore each stage of the process and to fill and sign your very own cask. Please note that availability is extremely limited and offered on a first come, first served basis.

Your cask will be a first fill Sherry hogshead, sourced from the same Bodega as our Infinity Casks. It will be filled with new make spirit distilled at Ardgowan Distillery which we will store on-site in one of our traditional dunnage warehouses for you, fully insured, for ten years.

***As Ardgowan is a working distillery, production can occasionally pause or change at short notice. While we'll always do our best to give you the fullest experience possible, certain processes may vary depending on the day's operations.**

Included in the private cask offer:

- VIP experience at the distillery, including the chance to fill and sign your own cask
- The contents of a cask, filled with Ardgowan new make spirit
- Full ownership documentation
- Storage and insurance for 10 years
- Samples of your cask on request after year five (charged at prevailing industry rate, maximum of one per year)
- Assistance with bottling (including labelling, duty, tax etc.)
- Advice and assistance with import of bottled goods, if required
- Option for Ardgowan buyback after year 10

The Opportunity

Only a limited number of casks are available for private individuals to purchase. Now that we have added a VIP behind the scenes distillery experience to the offering, we expect there to be substantial demand, so act now to avoid disappointment.

We are offering a very special price: c. 250 litre hogshead casks will be available for £8,304.

How to secure your cask

Apply and pay the deposit online [HERE](#):

<https://www.ardgowandistillery.com/private-casks/#buy-casks>

or complete the form within the booklet and return to us by email or post – you will receive an invoice for the deposit that can be paid by BACS or bank transfer. A second invoice will be issued prior to your cask being filled, and once it is filled, you will receive your cask ownership documents.

Storage and insurance

Ten years' storage is included in your purchase. After this initial period, you will be charged an annual fee for warehousing and insurance. Casks will be stored alongside Ardgowan stock and will be covered under Ardgowan Distillery Company's group insurance policy.

Buyback

After a minimum 10-year period, Ardgowan may offer to purchase your whisky back at the prevailing market rate, being the rate that Ardgowan purchases similarly aged whisky at that point in time.

Your cask contents and the Angels' Share

Casks will be filled at an approximate strength of 63.5% ABV. Your whisky can be bottled at natural cask strength, or you may choose to bottle at a lower strength. Approximately 2% of liquid in your cask will evaporate each year (known as the Angels' Share) and the alcohol strength of the contents will reduce by approximately 1% to 1.5% ABV per year.

Your VIP visit

As a private cask owner, or as an additional named person on the cask record, you are now entitled to a complimentary VIP experience at Ardgowan. Journey behind the scenes of our pioneering distillery to learn what makes our Single Malt unique. If timing aligns, you'll be able to fill and sign your own cask on the day.

**To book your visit, please email:
Vc@ardgowandistillery.com**

Please note: as Ardgowan is a working distillery, production can occasionally pause or change at short notice. We can, therefore, not guarantee any particular element of the process will be running on the day of your visit.

Duty & VAT

Single Malt Scotch Whisky can only be exported from Scotland in bottled form, labelled for retail sale. Duty and VAT are taxes to be paid after the cask has been bottled and the finished goods are removed from the bonded warehouse.

UK duty is the charge made by HM Revenue & Customs based on the percentage of pure alcohol in the whisky. From 1st February 2026, the duty on all alcoholic products exceeding 22% ABV will be £33.99 per litre of alcohol in the product.

The duty rate charged will be that which prevails at the time of removal of the product from the bonded warehouse. UK VAT is currently 20%. VAT is charged on the purchase price of the whisky together with the duty rate prevailing at the time of removal from bond and the storage and insurance charges paid over the years. Taxes are subject to change by the UK government.

Different rates of duty apply in different countries around the world. Please check with your local tax authorities for the duty rates which apply in your country.

Under current (2026) tax legislation, UK Capital Gains Tax is not applicable as whisky is regarded as a “tangible”, “moveable” and “wasting asset”. Whisky purchased in cask for personal use, as gifts for family, godchildren and friends, etc. would therefore be exempt from Capital Gains Tax on realisation of the asset.

Private Cask Order Form

Your completion of the Order Form will be deemed to be your confirmation to us of such compliance. Nothing in the Cask Purchase Agreement shall constitute a right to acquire a physical cask itself. Under the Cask Purchase Agreement, the Customer only acquires the right to acquire the Cask Contents. The Cask Contents shall be made available after ten (10) years or earlier by written agreement between the parties.
3. Once we have received your order and your payment, you will receive a confirmation receipt.
4. After the Cask has been filled, you will receive:
 - i. confirmed Cask number(s)
 - ii. a certificate of entitlement to the Cask(s). Legal title to the Cask will be transferred to you at the time of the Cask being filled (the “Filling Date”).
5. The price payable for your Cask includes warehouse storage and insurance charges for a period of ten years from the Filling Date. We shall put in place a policy of insurance over the Cask until the earlier of (i) the tenth anniversary of the Filling Date, and (ii) the date you remove the Cask from our storage for bottling. The Company will insure your Cask under its group policy. Should your Cask be damaged at the warehouse we reserve the right to replace it with a Cask of similar character and age.
6. Casks shall be stored with Ardgowan stock and in such manner as deemed appropriate by us and at all times in accordance with applicable HMRC regulations. If you wish to retain the Cask in our warehouse for longer than 10 years, then you shall be liable for the costs of storage and insurance at the rate applicable at the time of the charge and any applicable compliance or other charges payable to HM Revenue and Customs or other regulatory or governmental authority from time to time. When it comes time to bottle your whisky, we will fulfill this on your behalf. The cost of bottling, labelling, duty, tax and packaging will be determined in advance of bottling.

9. We will not allow bottling until at least the eighth anniversary of the Filling Date. A 100ml sample can be provided annually after year five upon your written request to our address referred to in Clause 7.2, subject to payment of a sampling fee and duty at the prevailing rates at that time. Confirmation of the sampling fee applicable from time to time can be obtained by contacting us.

10. As part of the natural maturation process, evaporation and subsequent loss of spirit from the Cask will occur. The size and storage location of the Cask, filling strength and length of maturation can all affect this rate of loss. Therefore, we provide no guarantee of the volume of spirit remaining in the Cask.

11. By completion and signing the Order Form, you acknowledge that we have registered the rights to the names “Ardgowan Single Malt” and certain other variations of the name, and Ardgowan logos and devices under the Nice Agreement (1957), Trademark Class 33. You cannot use this name or logo, device or any of our intellectual property on the label for bottling of your Cask(s) or its packaging other than as prescribed in this Clause 11. Your label must be compliant with The Scotch Whisky Regulations 2009 (together with any other applicable legislation that may apply from time to time).

12. You must inform us of any changes to your (or the person for whom you are purchasing the Cask's) contact details, including:

We shall hold such sale proceeds in trust until the fifteenth anniversary of the Filling Date and, where we remain unable to contact you after such fifteenth anniversary, shall be entitled to retain the proceeds of sale and shall have no liability to you for the proceeds or for any other sum, cost or liability arising out of this Agreement.

14. Following (i) the tenth anniversary of the Filling Date or (ii) on any anniversary of the Filling Date thereafter, risk in the Cask and its contents shall immediately transfer to you, unless:

- a. you have received our written agreement to the contrary prior to such anniversary of the Filling Date; or
- b. payment for an additional year's insurance and storage costs after the tenth anniversary of the Filling Date has been received within 14 days of such anniversary.

15a. Shared / Multiple Ownership: Please note that HMRC requires bonded warehouses to record a single legal owner for each cask. For groups wishing to share ownership, Ardgowan Distillery can only register one named individual or legal entity as the owner. We are happy to note additional ownership names for the purposes of distillery visits, but any legal agreement between joint parties must be arranged independently. Responsibility for such arrangements rests solely with the purchasers.

15b. To transfer ownership of your cask to a third party, both parties must complete and sign a Private Cask Ownership Transfer form (available on request). The new owner must also confirm in writing that they agree to abide by these Terms and Conditions, and the signed form returned to the address specified in Clause 7.ii.

16. Replacement or additional cask ownership documents can be obtained for an additional charge by written request to the address provided in Clause 7.ii

17. We will process your personal data in accordance with our privacy policy, a copy of which is available at www.ardgowandistillery.com.

18. You shall be responsible for Duty, VAT and any other taxes or charges payable to HM Revenue and Customs or any other governmental agency from time to time at the applicable rates. We shall not be liable for (and you will hold us harmless against) any costs, charges or expenses incurred in relation to any change or variation to any taxes or charges.

19. If the bottled product is exported under bond, Duty and VAT can be suspended (but not avoided) subject to the exporter being registered for both Duty and VAT and being registered as a bona fide exporter. UK Duty and VAT may be payable after bottling, depending on the final destination of the bottled product.

20. Duty and VAT will be payable in the country of final destination at the rates prevailing in that country at that time. It is up to you to find a suitable importer in the destination country and to arrange the export. It is your responsibility to be aware of all regulations regarding the importation of alcohol and any required labelling to the destination country.

21. Except as stated in this Agreement, the parties do not intend that any of its terms shall be enforceable or otherwise invoked as a third party right by any person not a party to it. This Agreement constitutes the entire agreement between the parties and supersedes and replaces any previous agreement, understanding, undertaking or arrangement of any nature between the parties relating to the subject matter of this Agreement. You acknowledge and agree that in entering into this Agreement, you have not relied on, and shall have no remedy in equity, contract, delict (tort) or under misrepresentation or otherwise in respect of, any warranty, representation, statement or condition other than as set out in this Agreement or implied by law.

22. Ardgowan Distillery may amend or update these Terms and Conditions from time to time. Notice of any amendment will be provided to cask owners in writing, and such amendments will be binding from the effective date stated in that notice. By continuing to own a Private Cask following such notice, you are deemed to have accepted and agreed to be bound by the updated Terms and Conditions.

23. If any clause or part of this Agreement is found by any court, tribunal, administrative body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision shall, to the extent required, be severed from this Agreement and shall be ineffective without, as far as is possible, modifying any other clause or part of this Agreement and this shall not affect any of the other provisions of this Agreement which shall remain in full force and effect.

24. The formation, existence, construction, performance, validity and all aspects whatsoever of this Agreement or any term of it (including noncontractual disputes or claims) shall be governed by the laws of Scotland. The courts of Scotland shall have exclusive jurisdiction to settle any disputes (including non- contractual disputes or claims), which may arise out of or in connection with this Agreement. The parties irrevocably agree to submit to that jurisdiction.

VIP Private Cask Experience: Terms & Conditions

These terms apply to the VIP Private Cask experience (the "Experience") and should be read together with our Private Cask Purchase Terms. By booking, you accept these terms on behalf of your whole party.

1. The Experience is a private, hosted day with our Production and/or Visitor Centre teams, offered as part of your Private Cask purchase. It has no separate cash value and cannot be exchanged, refunded or transferred without our written agreement.
2. We require at least four (4) weeks' written notice. A date is confirmed only once we acknowledge it in writing.
3. The Experience is a service relating to a leisure activity on a specific date, so the statutory 14-day right to cancel does not apply, and you ask us to reserve your date on that basis. Once confirmed in writing, the date cannot be changed and the booking cannot be cancelled. No refund, credit or rescheduling will be offered, and non-attendance for any reason will be treated as the Experience having been provided.
4. We are a working distillery and, therefore, cannot guarantee that any part of the production process will be running, visible or accessible on the day. Areas may close for operational, safety or regulatory reasons without notice. This does not affect your booking, and no refund, credit or rescheduling is due on that basis.
5. Very occasionally, we may need to change a confirmed date for safety, operational or force majeure reasons (severe weather, breakdown, staff illness, restrictions imposed by any authority, and similar). If so, we will agree a new date with you. This is our only obligation in those circumstances, and we are not responsible for any travel, accommodation or other costs you incur.
6. Please confirm guest numbers when booking; we may set a maximum and decline access beyond it for health and safety reasons. All guests must be 18 or over unless agreed in writing, and we may ask for proof of age. A distillery is an industrial environment, so everyone must follow our staff's instructions and safety signage, wear any equipment we require, and tell us in advance of any medical, mobility or access need. We may refuse entry to, or remove, anyone who is intoxicated, unsafe or disruptive, with no refund due.
7. Any tasting is for those aged 18 and over under our Challenge 25 policy. Arrange safe onward travel and do not drive if you intend to taste.
8. Nothing here limits our liability for death or personal injury caused by our negligence, or anything else that cannot lawfully be excluded. Otherwise, we are not liable for unforeseeable loss, for personal belongings brought on site, or for matters beyond our reasonable control, and our total liability for the Experience is limited to the value attributable to it within your cask purchase. You are responsible for any damage caused by your party.
9. These terms and the Private Cask Purchase Terms form the whole agreement for the Experience. If any part is unenforceable, the rest still applies. These terms are governed by the law of Scotland and subject to the exclusive jurisdiction of the Scottish courts.

This award-winning range of carefully matured expressions embodies the craftsmanship, integrity and pride that defined the original "Clydebuilt" name.

The Location

Ardgowan Distillery is located on the picturesque Ardgowan Estate near Inverkip, just 30 miles west of Glasgow. Situated close to the sea and the warming Gulf Stream, our distillery benefits from the unique maritime environment. We're very proud to make history as the first new distillery to operate in the Inverclyde region for over a century.

Our Bespoke Stills

Our magnificent pot stills were custom-made by McMillan Coppersmiths in Prestonpans. Thousands of hours and millions of hammer blows were required to shape these copper vessels to exact specifications.

The wash still has a downward declining lye pipe, which encourages richer, fruitier esters into the condenser, while the spirit still's lye pipe is upwardly inclining to boost the reflux within the still for lighter, sweeter qualities.

Additionally, our hot condensers gently cool our spirit and preserve its character.
